Financial assistance was received from:

- BEHRINGWERKE AKTIENGESELLSCHAFT
- THE COUNCIL FOR TOBACCO RESEARCH, U.S.A., INC.
- E.I. DU PONT DE NEMOURS & COMPANY
- FOGARTY INTERNATIONAL CENTER–NIH
- NATIONAL HEART, LUNG, AND BLOOD INSTITUTE–NIH
- STUART PHARMACEUTICALS, DIVISION OF ICI AMERICAS, INC.
- U.S. OFFICE OF NAVAL RESEARCH

The New York Academy of Sciences believes that it has a responsibility to provide an open forum for discussion of scientific questions. The positions taken by the authors of the papers that make up this *Annal* are their own and not those of The Academy. The Academy has no intent to influence legislation by providing such forums.
